

Housing Diversion Pilot Project

What is this project?

The goal of the project is to support Thurston County households who are experiencing a housing crisis in finding creative ways to stabilize their current living situation.

This project can support households who are:
Unsheltered
Doubled up with others
Couchsurfing
Facing a possible eviction and have no other place to go

How can I get in contact with the project staff?

You can reach out to Brittani Pipes,
Community Outreach Specialist

She can be reached via call or text at
(360) 995-3414

Or via email at brittanip@fscss.org

Services are available via phone, email, Zoom, or in person at a mutually agreed upon location in the community.

How can this project help me?

Things we can offer include:
