Greetings!!

On Friday, November 5th, Family Support Center of South Sound will be hosting a Bubble Party & Auction to celebrate the successes of our agency and the families and survivors that we have served over the last year. We appreciate your philanthropic spirit and know that your business supports our community in a variety of ways. We ask that you consider one more and become a sponsor for our biggest fundraising event of the year as we work to raise critical funds for our programs and services. As a thank you, we want to help make sure the whole community knows how generous and compassionate you are!

The Bubble Party & Auction will be hosted virtually, and we encourage guests to gather in small bubbles as they feel comfortable so they can share the experience with their family and friends. We will be highlighting the work that our amazing staff have been doing as well as sharing exciting news about the future. We also have some great auction items lined up! Even if you are unable to sponsor this event, we invite you to join us for an evening that is sure to be as entertaining as it is informative.

Family Support Center serves over 4,000 children, parents, and survivors each year, and we cannot do it without you! We are so lucky to have the support of our local businesses and individuals, every dollar really does make a difference for families in our community! **With your support, we can continue to build strong, healthy, safe, and hopeful families** while reducing the impacts of poverty, homelessness, and family violence in the South Sound.

As a result of COVID-19, events are evolving – and so are needs of the businesses we partner with. We have created sponsorship opportunities that emphasize the amazing things that you are doing for our community. On the next page you will find information about your sponsorship benefits. Please look at the sponsorship levels and let us know what feels right for you. We would be happy to work with your team to create individual sponsorship/marketing benefits that align specifically with your needs and goals. Thank you for your consideration, we look forward to working together and highlighting your company's mission and commitment to our community.

Best Regards,
