WORKING TOGETHER

Our mission guides the work that we do everyday, *Working Together to Strengthen ALL Families and Survivors*. The Coordinated Entry team is the perfect example of this! In 2025, this team, alongside 30+ community partners, completed assessments, and prioritized, resources for more than 2,300 people experiencing homelessness in Thurston County!

YOUR SUPPORT IN THE FAMILY ROOM

Your in-kind donations have supported thousands of families and survivors in the South Sound. Diapers, food, bedding, coats, and more! YOU have helped ensure that anyone who walks through our doors is able to get their basic needs met.

OUR GROWING TEAM

Our amazing team is growing rapidly! We have 5 programs and more than 60 staff members to help families, survivors, and those in need.
